Sesquicentennial Celebration Starts Saturday; Festive Ball For Queen

Religious Programs On Sunday; Pageant To Be Given Nightly All Week

The Madison County Sesquicentennial Queen will be crowned Monday night by U. Gov. Samuel Shapiro at the Old Kettle River plant fairgrounds site a mile south of Edwardsville on Highway 159.

However, the winner of the Sesquicentennial Queen contest will be announced Saturday night at the Sesquicentennial ball at the Mineral Springs Hotel in Alton. The 15 finalists in the contest will be presented at the event. Mrs. A. Austin Lewis of Granite City is chairman.

Elaborate plans have been made for the ball. The hotel has been specially decorated for the occasion by Eugene Alais, director of art for Granite City high school. There will be dancing from 9 p.m. to 1 a.m., to the music of an orchestra.

Formal Attire Optional
Though formal dress is optional, it is expected that a good percentage of those attending will be in formal attire. Tickets may be obtained from Mrs. Lewis or from the headquarters in the Jim Jones building, 111 Second street, Edwardsville. The price is \$5.50 a couple.

The Queen is to be elected on the basis of popular ticket sales. Each ticket counts for one vote for the candidate. Placing high among the candidates this week is Bernadette Acquaviva of Granite City. She was rated sixth in a tally of votes Tuesday.

Tickets have been selling for \$1 each. The price goes up to \$1.50 at 4 p.m. today, however. Two Quad-Cities girls will serve as pages at ceremonies Saturday evening at the Sesquicentennial ball when the Queen and her court are first announced. They are Charlene Graham, 14, daughter of Mr. and Mrs. Kenneth Graham, 2017 Manley avenue, and Jean Bosworth, 12, daughter of Mr. and Mrs. Bosworth.

Two additional organizations have endorsed the city's \$10,000,000 drainage, sewage, pollution abatement program.

Last night, the 55-member Granite City Jaycees endorsed the resolution of endorsement submitted by the Citizens Committee. Earlier, the Granite City Democratic Club had endorsed the program after hearing talks by members of the Citizens Committee.

Annexation To End Drainage Problem Along Vesci Avenue

Annexation of a tract containing 22 lots, immediately east of Cloverview subdivision, was approved Tuesday night by Granite City council members. Through the annexation, storm water drainage facilities will be available for the often-flooded Vesci avenue.

It was the first of several annexations to be sought by Leo Wolf Construction Co. for the Pontoon Plaza development. Wolf plans to build houses, apartments, a shopping center and a service station.

Only the service station is under construction, but that tract

Thief Helps Self At Helpee-Selfee

A thief apparently mistook the name of a local laundromat for an invitation to share the wealth.

He helped himself to \$13.25 from a coin changer at the Helpee Selfee laundry, 1601 Pontoon road.

Fifty-three 25-cent size slugs were deposited in the machine which makes change for the washers and dryers. The theft was discovered Tuesday evening.

\$14,520 Low Bid To Revamp Madison Council Rooms

The Madison city council accepted the low bid of G. H. Sternberg & Co. Tuesday night for the remodeling of the city council room. The bid was \$14,520.

Five bids were received, ranging up to \$17,785. The other bids were from Construction Co., \$16,684; L. Wolf Co., \$16,153; and Tom Studebaker Co., \$15,201.

The city plans to install wood paneling, acoustic tile ceilings, ceramic tile floors, new woodwork and fixtures in the council room and caucus room. The unfinished portion of the corridor also will be completed and a rolling steel door installed at the fire department.

Radars Pending
Mayor Stephen Maeras announced that city policemen have been familiarized with the newly purchased radar equipment. The radar will not be used until later this month.

Undergo Surgery

The following are recovering at St. Elizabeth Hospital from surgery which they underwent this week: Loren Hutton, 2804 Palmer avenue; James Waynick, 1901 Edwardsville road; Raymond Mobley, 2136 Iowa street; Josephine Bailey, 2807 Roosevelt street; Michael Whitford, 2806 Enzoo street; Veronica Hall, 3236 Kirkpatrick Homes; Clara Ledbetter, 2058A Cleveland blvd.; Victor Gondolfo, 1225 Oriole street; Venice: Virgil Decker, Rural Route Four, Edwardsville; Emilie Reinhardt, 1708 Garfield avenue; Gary Burns, 1817 Third street, Madison.

Tri-City Grocery To Expand Cooler Warehouse

Increased sales of eggs and fresh vegetables is resulting in an expansion of the cooler section at Tri-City Grocery Co. warehouse.

S. E. Pershall Jr., president, said the frame building at 17th and State street, which formerly housed United Lumber Co., was razed yesterday to make way for a 40x100-foot addition to the present warehouse. The structure was acquired several years ago and was used for storage of crates and vehicle parking.

Construction of the refrigerated warehouse addition is to start in the near future. Bulldozing were used in yesterday's demolition of the old frame building.

Pershall said the volume of eggs and fresh vegetables in the firm's 22 stores has increased to a point where additional cooler space is needed.

City And Park Board To Confer On Tract

New West Granite Fire House Planned; Dump Liability To Be Cleared

City and park district officials are to confer in the near future on use of a section of Triangle Park for a new West Granite fire house. The park district is considering the proposal to secure restroom facilities.

Announcement of the proposal was made during Tuesday night's council session, in other business, City Atty. John Gitchoff advised the aldermen he would meet with bank officers this week to free the city of responsibility in connection with city dump maintenance costs.

Need for a new fire house in West Granite was stressed by Alderman Ford Johnson, a fireman, who commented that gnawing termites disturbed fireman at night when they tried to sleep.

Architect To Be Hired
He added that termites had even eaten holes in a map attached to a frame wall in the fire house. Johnson presented a motion for an architect to be hired to design the building once the land acquisition was completed.

While no opposition was voiced, Alderman Samuel Whitmer inquired as to the availability of funds. He was told by Mayor Davis that the entire transaction would probably take a year and more to complete. "We should have funds by that time," the mayor said.

It was estimated the fire house would cost \$50,000 to \$60,000 to build. The figure, which would be paid by the city, is the main station, would include public rest rooms as specified by the park district. The rest rooms would be for persons utilizing the playground in the neighborhood.

Atty. Gitchoff outlined a number of cases he is processing for the city. He said a meeting was being arranged with officers of the First Granite City National Bank to release the city from assignment of payments each month for maintenance of the city dump.

City Is Responsible
The dump operator, Melvin Pashea had authorized the city to make the \$753 monthly payment to be made to the bank to release him. Alderman Davis had pointed out a requirement of the bank that the city be assigned a payment, signed by Mayor Davis, that the city is responsible for the payments. A release is given by the bank.

Gitchoff explained the agreement with the bank. The city is to make the payments to the Disposal Corp., which has taken over the dump maintenance costs under its \$147,500-a-year contract. Pashea recently was released from the hospital, and Gitchoff said he should be able to clear the matter this week.

He added the city, at present, still is responsible for the payment.

The attorney also advised the council that an extension of time to file an appeal to the Illinois Supreme Court has been granted to Teamsters Local 525, representing the 19 former city sanitation department employees.

Picketing Continues
The former city workers, who have been picketing the city hall for over two months, plan to appeal a denial of a petition filed in the Madison county circuit court for an injunction against the city's action in awarding the trash and garbage collection contract to a private firm.

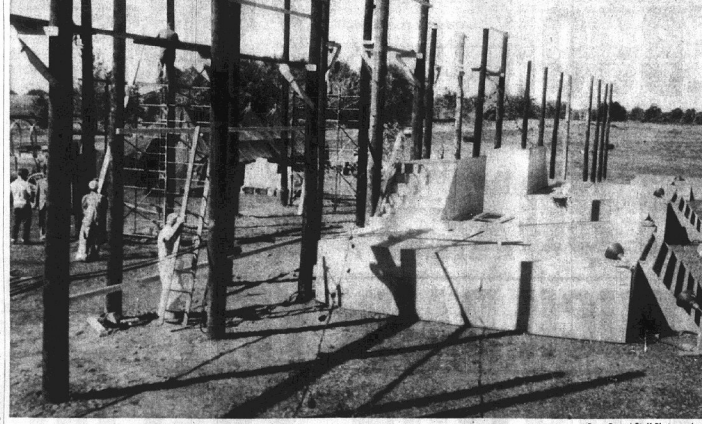

An out-of-court settlement in amount of \$400 in a per cent injury suit against the city was recommended by the attorney and approved by the council. The settlement is for Alice Price, who was injured several years ago in a fall in the city hall.

Five-Day Work Week At American Steel

A slight increase in orders for railroad freight car side frames and bolsters will boost the operation of the local American Steel Foundries plant to five days next week.

A. P. Steinhauer, plant manager, said today the staff of 600 workers will be on the job for five days. The plant has been working a four-day week for the past four weeks.

STAGES AND BACKDROP SUPPORTS for the Madison county sesquicentennial celebration pageant rise at the Kettle River site one mile south of Edwardsville just off

Route 159. The first of six nightly presentations of the pageant is scheduled Monday at 8 p.m. Grounds will open Sunday afternoon. (Additional pictures on page 8.)

VOTE "YES" HEALTH PROGRESS OCTOBER 2

CHIEF ENGINEER & DRAINAGE ABATEMENT ABATEMENT COMMITTEE

PUT UP THIS WEEK are billboards throughout Granite City urging local residents to vote "Yes" on Oct. 2 for the drainage, sewer, pollution abatement bond issue. The signs were placed by the Citizens Sewer, Drainage and Pollution Abatement Committee.

Cedarview Owners Tell Nameoki Board Of Drainage Plight

If other methods fail, Cedarview subdivision property owners could sue the developer to force him to bring Cedarview drainage up to standards acceptable by the township, Nameoki Township Atty. Nick Vassileff told a delegation of Cedarview owners Tuesday evening at the Nameoki town board meeting.

In other action the board approved a bridge and road budget appropriation ordinance, tax levy and certificate of levy.

Appearing before the board to outline drainage problems in the Cedarview subdivision was Sylvester Bryan, 3604 Ruth drive, a local industrial plant worker who was spokesman for a group of area property owners.

Describes Problems Bryan described drainage problems in the subdivision which have resulted in basement seepage and difficulty of access at times of heavy rainfall.

By law, a subdivider shall construct and maintain roads for two years after opening a subdivision, and he must post a bond to show good faith. In this case bond was set at \$1000. The two year period elapses in June, 1963. It was brought out:

"Meet with the subdivider and show him what needs to be done," Vassileff told Bryan. If no agreement is reached, the group must consult with the county highway commissioner. As a last resort, the property-owners can sue the subdivider on the bond. His liability is not limited to the \$1000 specified in the bond, Vassileff pointed out.

It may be possible to link the proposed East Madison drainage system to the present one for the city of Madison, Supervisor Harry Briggs, told the board. He said that he will try to arrange a meeting between Madison and Nameoki engineers to discuss the possibility.

Officer Bonds Approved The board approved paying \$50 bonds for Township Humane Officer Donald Broyles and Township Health Commissioner Gene Rottler, who hold special deputy commissions and are empowered to carry weapons.

Briggs, discussing a survey of the township to determine precinct lines, estimated it would cost the township \$600 to \$800.

The road and bridge budget and tax levy approved totals \$98,127, up \$720. Totals are for Illinois Municipal Retirement Fund \$2210, including \$200 added coverage and \$500 for clerical services; road fund \$38,085, unchanged; permanent road fund \$46,422, unchanged; and joint county bridge repair fund \$6500, unchanged.

ducted from the state aid payments. "We don't know yet what the average savings will be, but it should be sizable once the program is in operation throughout the county," Randall said.

No stone is left unturned, Randall pointed out. County Sup't. of Schools Wilbur H. L. Trimpe is helping with the formation of a retaining program, and the 18128 office is to do the testing and aid in finding jobs.

"All cases are being reviewed to determine the types of re-training to be scheduled," Randall said.

Rites Here Saturday For Robert Gilbert

Funeral services will be conducted here Saturday for Robert Gilbert, 39, former Granite City resident who died Sunday morning at Los Angeles, Calif., General County Hospital.

Mr. Gilbert was born in Granite City and made his home here until moving to Los Angeles 18 years ago. He had been afflicted with a heart ailment seven years, and was hospitalized two weeks.

His wife, Wanda, preceded him in death three months ago.

Survivors included a son, Robert S. Gilbert, nine; a daughter, Linda Lee Gilbert, 13; and his mother, Mrs. Kathryn Gilbert of Granite City.

Funeral arrangements are given in the obituary column.

Nautical Theme This Year

United Fund Drive Captains Named By Division Leaders

A nautical theme will be carried out in this year's Tri-City Area United Fund campaign. The decision was made yesterday afternoon during a luncheon meeting presided over by John McBride, general campaign chairman. The luncheon was attended by UF division leaders, who named captains for this year's fund-raising drive.

Further details of the application of the theme will be announced by "Admiral" McBride in the near future.

Campaign captains were announced by A. P. Steinhilber, chairman for the Industrial division, Edw. Applgate for the Commercial division, Milton Morris for the Municipal Unit division and Homer Huber, chairman of the Special Gifts and Clubs division.

Division Chairmen, Walter Klostermeier for Public Employees and Leo Konzen for Professions will report at a later date, McBride said.

In the Industrial division, R. Brink will handle large industries, Dale Arnette, small in-

dustries; Robert Gengler, employees; E. G. Schmitt, utilities; G. H. Sternberg, building trades; Roy Krantz, transportation; G. W. Hoelscher, outside area industries; and Edwin Reiske, labor groups.

The Commercial division captains are Alvin Barnes III, Donald, Hayes, Wesley Lomax, George Maize and Maurice Rich. The Municipal Unit division has James Harsh and vice-chairmen, with the team captains to be Mayor Davis in Granite City, Mayor Maers in Madison and Mayor Lee in Venice.

The Special Gifts and Clubs division captains will include Charles Meyer, Oliver Jacobsmeyer, Mrs. Ida Handfield, Dan Brown and John Herin for special gifts; and Eugene Coe for Clubs.

The attorney is to continue negotiations on a final payment to Quad-City Roofing Co. for work on the city hall building and attorneys for William Fricke, a city street department employee who was injured about three years ago.

May End Barber Shop Fee Council members are to give consideration to elimination of barber shops from the business license ordinance. It was pointed out "barbers work with their hands and the \$25 fee should be eliminated." However, it was brought out that bakers and other business operators also work with their hands and should be considered in the license fee abolishment.

Referred to the Street and Alley committee and city engineering staff were three bids submitted for sidewalk and curb replacement. The proposals were submitted by Tom Skerle Co., Ellsworth Concrete Co. and G. H. Sternberg Co.

The City Hall committee was instructed to study bids for city hall door replacement and exterior painting and present recommendations.

Eight Persons Hurt In Traffic Accidents Here

Eight persons were hurt in traffic accidents in or near the Quad-Cities this week, according to reports from local police. Five of those injured were hurt in two separate mishaps.

Auto, Truck Collide
Three persons were injured slightly at Market and Rebound streets, Venice, about 8:10 a.m. yesterday when an auto driven by Kenneth Sorenson, 21, of 1801 Market street, Madison, collided with a truck driven by Joseph Dinoto, 47, of Overland, Mo.

Venice police said Sorenson was driving west on Market and the truck, heading north, was crossing the street. The auto, which was about 40 feet before hitting the truck, police said, and was towed from the scene. The truck was able to proceed under its own power.

Sorenson suffered abrasions to the nose and face, while Dinoto received an injury to the right knee. A passenger in the truck, Tommy Simanek of Overland, sustained abrasions to the forehead. A child police said they would seek treatment from their private physicians.

Boy On Bicycle Struck
Curtis Holmes, six-year-old second grader at Harris school in Madison, suffered abrasions and contusions to the right shoulder and forearm Tuesday evening when his bicycle was

struck by an auto near Fifth street and Washington avenue, Madison.

The driver of the auto was George A. Lybarger, 59, of 435 Fourth street, who had just driven out of an alley. Lybarger took the boy to St. Elizabeth Hospital, where he had x-rays and was treated and released. The Holmes boy lives at 1532 Fifth street.

Auto Passenger Hurt
Billy Barhart, 15, of 2405 St. Clair avenue, was injured Tuesday afternoon in an auto accident on N. Main street at Clark avenue. He was a passenger in an auto driven by Kenneth R. Modlin, 16, of National City. The driver of the other auto was Anna N. Papp, 37, of 2530 Pine street. Modlin was issued an arrest ticket on a charge of following too closely. He posted his driver's license as bail.

Barhart was treated at St. Elizabeth Hospital for a bruised forehead. He was released following x-rays.

Newlywed Hurt
Mr. and Mrs. Jerry Thompson, returning from a honeymoon trip to Tennessee, were involved in a collision Tuesday afternoon on a highway near Carmi, Ill. They sustained minor injuries, although their automobile was damaged.

The accident occurred during a heavy rain. Thompson and his bride, the former Miss Maria Jean Davis of Creve Coeur, Mo., are to leave this weekend for Bollinger, Mo., where they will be sophomores at Hannibal-LaGrange College.

Collinsville man, William Willis, 27, suffered a cut in his forehead yesterday afternoon when an auto in which he was riding was involved in a collision at Lincoln avenue and Kate street.

The auto, driven by Charles Stuckoff, 22, also of Collinsville, was involved in the crash and knocked down a street sign. It caught fire, apparently from a short circuit, and the driver was dispatched to the scene. Fire damage was slight.

Stuckoff was charged with failure to yield right-of-way and destruction of city property. He posted his driver's license as bond. He was traveling south on Kate, and the other car was driven east on Lincoln by Barbara Kondrich, 18, of 2433 Union street.

Federal Aid To Be Sought By Levee District

East Side Levee & Sanitary District President Lawrence Toland last night was authorized to act as agent for the district in its application to the federal government for an aid grant to help finance construction of the district's abatement system.

The plan will be the southernmost installation in the levee district's pollution abatement system which will cost an estimated \$7 1/2 million and exclude East St. Louis and Granite City, which have plans to build their own storm water drainage and pollution abatement facilities.

During a brief, 14-minute meeting of the trustees last night at St. Louis, the levee board adopted a resolution naming Toland as the agent to represent the district in contact with the U.S. Public Health Service, agency which will determine the amount of aid for the district facilities.

The Chicago treatment plant, which is the first phase of the abatement system planned for construction, is estimated to cost \$1,200,000, which even is less.

Following Wednesday's public meeting, levee trustees Toland, John Molla and Thomas Hennessy were closed for over an hour with attorneys representing the district.

Details of the closed meeting were not made public, but it was reported that methods of financing the abatement program were discussed. The district has until next Dec. 31 to complete its financing arrangements, by order of the Illinois Sanitary Water Board.

Any action concerning financing would have to take place at a public meeting. The trustees emerged from the closed-door session without setting any special meeting date before the next regular meeting on Oct. 3.

The district also has pending plans to issue \$1,200,000 in general obligation bonds for the construction of trunk sewer lines in Covesville township. This project is a part of the overall pollution abatement construction program, it has been explained.

If these bonds are issued, the levee district will move to within \$200,000 of its goal of being debt-free, which is \$13,400,000.

Final payment to the contractor on a Terrace lane sewer line was made.

Kindergarten Boy Empties School

A kindergarten boy on his first visit to school got a scare when he pulled a button on a bright red object in the hall. The fire alarm sounded, and Lake grade school's 364 pupils emptied the building in 40 seconds flat on the first day of school.

Principal Arthur Menendez said, "We didn't even have a practice. That was pretty good for the first fire drill of the year before we even had time to give instructions."

Menendez said the boy came up to him after the school returned to normal Tuesday and explained he had broken the glass and didn't know why. School nurse EARL HOME, 1416 N. Main street, said the boy started when the alarm sounded. "We had been in the process of getting started when the alarm sounded. The teachers had just taken the youngsters to their rooms when the alarm went off."

Funeral Here Saturday For Charles Ratty, 30

Funeral services are to be held here Saturday morning for Charles E. Ratty, 30, son of Mr. and Mrs. Edward Ratty of Rural Route One, who died Sept. 1, in Denver, Colo., veterans' hospital.

Mr. Ratty had been hospitalized since injured in a traffic accident near Denver March 28. He was a truck driver for a hay and grain firm.

Born in St. Louis, Mr. Ratty had been a Missouri resident since 1954. He had lived in Granite City about four years.

Survivors include his wife, Emma; four daughters, Kim, Pamela, Berni and Cheryl; two sons, Michael and Mark; a sister, Mrs. Della Mae Sullivan of Annapolis, Md., and his parents.

Funeral arrangements are given in the obituary column.

Placement in Granite City was authorized in other business conducted by the board last night.

A report by district Engineer A. L. Kraemer showed the project complete and recommended a final \$102,040 payment to G. H. Sternberg & Co. of Granite City, the contracting firm. Kraemer's report listed the total value of work at the site, scene of numerous sewer breaks over the past several years, at \$85,267, or \$3263 below the contract price.

The trustees approved an Aug. 15-31 payroll of \$24,578. Trustees Dan Costello and George Duff were absent.

MHS Holds Full Scrimmage Tonight; Warriors' Intra-Squad Game Friday

Formal scrimmages under game conditions will wrap up the second week of football practice for both the Granite City and Madison high school squads, Coaches Al Lewis and Glen Pickering said today.

Two Madison offensive units will bump heads tonight, and Granite City's intra-squad game is planned for Friday at 7:30 p.m.

The quarterbacks will call their own plays for about a half and then they'll take the first unit and we'll scrimmage for about another quarter," Pickering said.

Madison's "first unit" is about equally divided between the "red" and "white" squads for tonight's scrimmage, a deliberate move on Pickering's part in an attempt to give each club comparable strength and balance.

The "white" unit will be quarterbacked by Gary Skinner, with Walt Cooper at the halfback, Don Broyles at the wingback and Jack Miller at fullback.

George Russell and Tom George will be at the ends, Sam Dymas and Tom Miller at the tackles, Jody Gray and Harry Harrell at guards and sophomore Bob Clinton at center. Tom Lubak will call signals for the "red" unit, with his backfield composed of Lester White at the wing, Terry Andrews at fullback and Eugene Brown at a halfback.

Ends are Clint Robinson and Dave Andrews, tackles Ted Nizinski and Tom Leinenweber, guards John Olesky and Steve Purkale, and center Ken Harris. Both offensive units will be expected to turn around and play defense, according to Pickering, with few substitutions.

To Stress Defense
The Trojans have spent most of this week concentrating on Pickering's wing-T offense but beginning Friday will switch to defensive drills, including pass defense. Pickering expects Edwardsville, Madison's opening game opponent on Sept. 14, to take to the air rather frequently. The Tigers' quarterback, today.

Larry Schaeke, was a fine passer as a junior last season.

The Trojans got one piece of bad news early this week when x-rays of sophomore guard Ralph Ives' twisted left ankle revealed a hairline fracture.

Ives' leg is in a cast, and will stay there for from six to eight weeks, long enough to make him unavailable for the duration of the season.

It will be the "reds" and "blacks" at GCHS Friday, where the intra-squad game begins at 7:30 p.m. Coach Lewis will be an onlooker as assistants take over the chores of directing the divided club.

Before splitting up for the scrimmage, the entire Warrior club will get in an hour of practice this afternoon, then spend the remainder of the afternoon school session preparing for the intra-squad game.

Tuesday, the Warriors looked at films taken during a scrimmage last Saturday, then went outside for a two-hour session on the practice field.

There was some light contact yesterday, and a short scrimmage with as much stress placed on shifting defense at the line of scrimmage as on plays in Lewis' single wing-T formation.

Two Rejoin Warriors
Two players rejoined the club this week after missing most of all pre-season practice. They were Jerry Nelson, a halfback, fullback who has recovered from hepatitis, and Mike Rousseau, a center sidelined for the removal of a cyst.

Neither will have enough practice in time to be eligible for GCHS's first contest with assumption here on Sept. 14, however.

Halfback Jim Parker, still hospitalized for observation after he had complained of a stiff neck and headaches last week, heads Lewis' list of doubtfuls as well.

The Tigers' quarterback, today.

Mitchell Youth Shot In Hunting Accident

Jerry Siner, 16, son of Mr. and Mrs. William Siner, 129 Big Four place, Mitchell, is recuperating at St. Elizabeth Hospital following an operation for gunshot wounds.

He was accidentally shot Monday while hunting near Rockbridge. A shotgun blast sprayed him with shot.

A friend, Larry Stockton, of Granite City, and Siner left on the hunting trip early Sunday morning. He was taken to Boyd Memorial Hospital at Carrollton where doctors were prepared to operate for the removal of the shot.

His parents had him transferred to the local hospital for the operation, however, so he would be closer to home.

He will enter the junior class at Granite City high school when he is discharged from the hospital.

Pellets were taken from his body, shoulders, face and scalp.

Adult Dancing Classes Begin Wednesday At 7
Adult social dancing classes covering the fox trot, waltz, jitterbug, cha cha, rumba and others are scheduled to begin next Wednesday, Sept. 12, at the YMCA.

No-Parking Zone
The council passed an ordinance prohibiting parking of any vehicle along either side of West Madison street throughout its entire length in the city of Madison.

The ordinance provides for the placing of appropriate signs along the street by the superintendent of streets. The penalty for illegal parking on West Madison street is specified in the ordinance as not less than \$3 nor more than \$100 for each violation.

The ordinance takes effect 10 days after publication today.

This Is No Fish Story

FIFTEEN million fish were killed in 1961 through pollution—double the kill in 1960—according to a recent report by the Water Supply and Pollution Control Division of the U.S. Public Health Service.

This is only a rough measure, according to the Public Health Service, of the amount of damage done. Such reports do not take into account the effect of adding to a stream small quantities of pollutants which may not kill fish directly, but may affect aquatic organisms that support fish life. Nor do they take into consideration the contamination of shellfish which has taken a terrible toll in sickness and disease.

Pollution of rivers, streams, lakes and bays, and ocean front areas will only be removed when municipalities stop pouring raw, deadly sewage into open bodies of water without proper treatment. Expanding population, increase in home-building, and expansion of water-using appliances is compounding the situation daily.

The National Water Institute cautions Americans everywhere to look into their own local water supply and disposal situations. Look ahead, and anticipate what your town's needs will be ten or twenty years from now, so you can be ready with adequate treatment facilities.

attempts to scramble between two parallel rows of linemen and still maintain possession. Ballcarrier in this instance is Don Broyles. Linemen in foreground are Sam Dymos (left) and John Onesky (center).

Carpenter, McAteer Tied

I-C's Regular Season Concludes Sunday; GC Clubs Make Playoffs

Granite City entrants in the Inter-City Baseball league will wind up the regular schedule Sunday with no worries about making the post-season playoffs and no chance to finish in the top positions of their respective divisions.

But the important — from a playoff standpoint — positions of second and third place in both the Red and Blue divisions are yet to be decided.

Mercer Funeral Home has clinched second place behind Blue loop winner Pocahontas, but Carpenter and McAteer Glass are tied for third with 11-10 records.

The Remote Possibility
Granite City Sacred Heart still has the remote possibility of finishing in a tie for second in the Red division. The Hearts and second place Maryville each have one game remaining, and Paul Schuler's club could tie for second by beating Carpenter here at Wilson Park Sunday — provided Roxana can measure Maryville.

A second place tie probably will not be played off if one does develop, since the clubs still would automatically qualify for the first round playoff game on Sept. 15, with only the home diamond in doubt, a situation which has been resolved by a flip of the coin in the past.

Mercer will cross the division boundary lines Sunday in East St. Louis to do battle with Red division winner Moose Lodge at Jones Park. The Moosemen came away with a 6-4 triumph in the two teams' only previous encounter this year.

Carpenter, the Hearts' Sunday opponent, came out on the short end of an 8-0 score in the one previous meeting of the two clubs this summer.

McAteer must come up with a victory over Blue division champion Pocahontas if it hopes to make the playoffs. Carpenter faces the same situation in its contest with the Hearts. The combination of a win and a loss by the two teams would make one or other the 11th place finisher; but wins or losses by both would not resolve the situation and, in this case, a special playoff game would have to be scheduled before next Sunday, Sept. 16.

Collinsville and Troy, a couple of clubs with nothing to gain, will go through the motions Sunday at Moonlight diamond in Troy. Troy can avoid the basement of the Red division with a win and Collinsville is in the same boat.

Kratovich May Join Mercer For Sunday Finale

Don Kratovich, No. 1 chucker with White City during last year's Inter-City baseball schedule and signed this year by Mercer, may get the pitching call Sunday when Mercer faces Moose Lodge.

Kratovich is to be released from active duty with the Marine Corps tomorrow and, in a letter to Mercer Co-Manager Ollie Miller, said he plans to arrive from Camp Pendleton, Calif., in time to be on hand at Sunday's game in East St. Louis.

While on active duty, Kratovich pitched for Ocean-side in the North-County league, and hung up a league record of 33 consecutive strikeouts in four relief appearances and one starting assignment.

complete the regular season one game shy of the 22 scheduled for the campaign, according to a ruling by league Secretary Henry Huser, since the contest's outcome could have no bearing on the playoff positions or qualifiers. The clubs were rained out on June 24.

Playoff Schedule

The Sept. 16 playoff round will find Moose and Pocahontas idle while the second and third place finishers in each division battle in a one-game "sudden death" playoff on the second place team's home field.

The following Sunday, the Sept. 16 winners move to the division champions' home fields for another single game elimination. Survivors here then engage in a best two-out-of-three series Sept. 30 through Oct. 14 with the first contest on the tied division representative's field.

Kettle River Dresses Up For County Sesquicentennial Celebration

SPECTATORS' VANTAGE POINT when attending the sesquicentennial pageant. Five stages, including the long, low one at center, will be utilized to reconstruct various phases of Madison county's history. The area between low

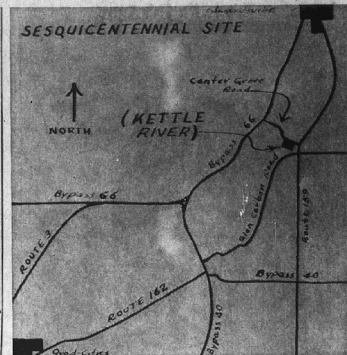

stage and four elevated platforms in background will form a type of arena for horses and wagons to be used in the presentation. Carnival rides and stands will be located to the rear of point from which this photo was taken.

Project Bids Received By Housing Authority

Bids on three projects at the Anchorage housing development were opened by the Granite City Housing Authority board Tuesday night.

Modern Painting Co., 2608 East 27th street, was low bidder on a year's painting contract for apartments in the new public housing project for the elderly, with six bids received.

David Morgan, executive director of the authority, said the bid is based on individual costs for interior painting in various sized rooms and units. Some units may be painted more than once during the contract period, he said.

Other firms bidding included Porter Painting & Paperhanging Co., Cozart Painting Co., H. R. Schannott, Thurston Painting & Decorating and George Clyde Painting & Decorating, all of Granite City.

Granite Sheet Metal Works submitted a low bid of \$537 for gutters and downspouts on the project administration building. Morgan said. Only other bid was submitted by Tri-City Heating & Air Conditioning Co. of St. Louis submitted a low bid of \$1299 for approximately 800 feet of cyclone steel fence to be used at the housing site. Five other bids were received, all from out-of-town firms.

Sister Of 2 Granite Cityans Dies At Belleville

Funeral services were held yesterday at 2 p.m. at St. Paul's United Church of Christ, Belleville, for Mrs. Katherine A. Luehder, 47, of Belleville, sister of two Granite Cityans. Mrs. Luehder, wife of Herman Luehder, died of a kidney ailment Saturday at St. Elizabeth's Hospital, Belleville, where she had been a patient since Aug. 25.

She is the sister of Mrs. Effie Broeckling and Willard Maxfield of Granite City. Burial was at Lake View Memorial Gardens.

Study Habits Important, Say Past Venice Pupils

Study habits are recognized as one of the most important ingredients of a high school education by students no longer in school, according to a survey of former Venice high school students just completed.

"Everyone stressed that study habits are what they have to learn whether they go to business school, nurses training, college or vocational schools," reported Morone Greshing, school guidance counselor.

Miss Greshing conducted the study under provisions of the National Defense Education Act. Started last spring, the study was made public at the Venice school board's September meeting Tuesday.

Miss Greshing reported a 76% response from members of four classes which were conducted. Letters and questionnaires were sent to 129 former Venice students, she said, with 95 responding.

Those contacted were members of classes which entered Venice and Lincoln high schools in 1954 and in 1957.

Need More Science
"From interviews and questionnaires I found that students going to college or nurses training needed more science, more home writing and a schedule where they could get two years of one foreign language," Miss Greshing reported.

She noted those going into elementary teaching said they needed art and more of the technical study of music—for example, the study of musical notes.

Miss Greshing said students who dropped out of school before graduation stressed the fact that they might have been able to stay in school if there had been more vocational training.

Even those going to college thought the school should offer more vocational courses," the counselor said.

Rate Grading, Discipline
Former students surveyed were asked to rate their school's grading system as fair, too strict or not strict enough. Only two rated the system as too strict, while 37 said they felt it was not strict enough.

None of the former students rated discipline as too strict, while 44 rated it as not strict enough. Seventy-seven rated the grading system as fair, while 49 gave a similar rating to discipline.

The ratings failed to show a significant difference of opinion between students who graduated and those who dropped out of school.

"Several of those whom I interviewed mentioned that Venice didn't require students to buy enough of their own supplies," Miss Greshing said. "A lack of appreciation of books and so forth was due to the fact that they were too easily acquired."

GC Steel Workers Are Younger Than Average

Average age and length of service of employees at Granite City Steel Co. are somewhat below the steel industry average, according to recent figures.

The steel firm's statistics show an average age of 41.3 for hourly payroll workers and 38.5 for salaried employees. Average age throughout the industry is 42.8, according to the American Iron and Steel Institute.

According to AISA figures, the average length of service for steel industry employees is 14.8 years. The Granite City Steel firm is 12 years for hourly workers and 12.1 years for salaried employees.

In the entire industry, workers with 15-24 years of service account for more than 25% of all employees, while at Granite City Steel 20% of the employees fall in this category.

The AISA says 20% of the industry-wide workers have between 10 and 14 years' service, while 20% of those at the local firm fall into the 10-14 year category.

Baby Daughter Born To Former Madison Family

Former Madison resident Sp5 and Mrs. Jack Mitailovich are parents of a baby daughter, Victoria Lynn, born Sunday morning in Dresden, Germany.

The seven-pound, eight-ounce baby is the first one born in the Mitailovich family in 29 years' relatives report. Mitailovich, who attended Madison high school, is an 11-year Army career man, presently stationed at Dresden. He is a son of former Madison resident, Nick Mitailovich, now of Jefferson Barracks Hospital.

Venice Board, Teachers Plan Salary Talks

President Lester Salem of the Venice school board has called for a meeting with representatives of Venice teachers to discuss the new salary schedule adopted by the board Aug. 20.

"I understand they are not satisfied with the new schedule," Salem said at the board's September meeting Tuesday. He set the conference for 8 p.m. next Tuesday.

Salem read figures from the salary schedules of Collinsville, Madison, Wood River, Belleville elementary and high school-junior college, East St. Louis, Edwardsville and Alton. All offer a lower 10-year scale than Venice.

All except Madison, Salem noted, start at a lower figure. He said Madison pays \$39 a year more for first year teachers, but \$567 less after 10 years. While Granite City may offer a new schedule this year, the board official said, their 1961-62 schedule was also below the new Venice pay scale.

Pay Increases Granted
The schedule adopted by the board last month allows pay increases amounting to \$200 for teachers with 10 years of experience and an additional \$100 increase next year. First year salaries are increased \$50 this year and an additional \$25 for the 1963-64 school year.

Under the new schedule, a beginning teacher with a bachelor's degree this year will get \$4850, increasing to \$5700 for teachers with 10 years in the system. Comparable figures for teachers with master's degrees are \$5450 and \$7300.

"From these figures," Salem told the board, "we are paying better than any school district around, based on a 10-year schedule."

Venice teachers, represented by Local 965 of the American Federation of Teachers, earlier this year requested a salary schedule granting pay hikes ranging from \$600 to \$1500 by the 1963-64 school year. The requested AFT schedule would allow additional salary classifications for teachers with bachelor's degrees plus 16 semester hours of training and those with master's degrees plus 30 semester hours.

The schedule adopted by the board makes no provision for such additional teacher categories.

Seek New Appliances
In other business at Tuesday's board meeting, Supt. John O. Pier was authorized to seek competitive prices on a new freezer for the Lincoln school cafeteria and a new washing machine for the Venice high school home economics department.

The board approved a plan to pay \$2.00 a day for transportation of a student with impaired sight to East St. Louis for special training. The child will ride with a Granite City parent who takes his own child to the same training center. Pier said it is the school district's responsibility to provide the student's transportation.

Payment of bills totaling \$18,707 was approved. Of these, bills amounting to \$15,445 are to be paid from the educational fund. Permission was granted for the Lincoln elementary school for monthly meetings after Pier read a request from Herman Smith, president of the organization.

The board approved transfer of \$2500 from the educational fund to the revolving fund to finance activities. Pier said money from sale of tickets to athletic events and other school activities is returned directly to the educational fund.

War I Veterans Plan Convention Attendance
Veterans of World War One Barracks 34 and Auxiliary met Tuesday evening with 60 members present. The meetings were conducted by the commander, Charles Hutchins, and the president, Mrs. Estelle McBain.

Plans were discussed for attending the National Convention to be held in Buffalo, N. Y., on Sept. 23 to 26 and a donation was made to Jefferson Barracks Hospital for rehabilitation of Mrs. Mabel Clark and Mrs. Mary Briedenbach.

Hostesses for the next meeting will be Mrs. Kathryn Sellers and Mrs. Elizabeth Bergrath.

Carelessness
There would be fewer traffic accidents if more motorists believed in highway signs.

Women's Guild Begins Season

The opening meeting of the Women's Guild of St. Bartholomew's Episcopal Church for the fall and winter season was held Tuesday evening.

Twelve were present for the devotional service in the church and the business session following in the parish hall.

Mrs. Janet Butler, the newly-elected president, was in charge and Mrs. Virginia Nyberg presented the budget for the year. The program consisted of a talk and motion pictures shown by a representative of the Goodwill Industries from St. Louis.

Mrs. Janet Butler and Mrs. Nyberg were hostesses and there was one guest, Mrs. Hazel Lerner.

PARSONS CIRCLE MEETS, PLANS CONTRIBUTIONS

"Counterattack on Communism" was the program Tuesday evening when the Victoria Parsons Circle of Calvary Baptist Church met in the home of Mrs. Pat Wallis, Mrs. Susan Rochester was program chairman.

Conducting the business meeting was Mrs. Phyllis Knight, circle chairman. The group decided to send a donation to Dr. Leonardo Estrada, New York City, as a September project. Dr. Estrada is a missionary doctor to Spanish-speaking residents of New York City.

As the Circle's monthly community mission project a check will be sent to the Carmi Baptist Children's Home.

The circle's October meeting will be held at the home of Mrs. Leslie Dorich, 2811 Warren avenue.

Refreshments were served, and others present were: Mrs. Pat Heath, Mrs. Bea Belcher, Mrs. Macy Bridges, Mrs. Irene Mize and Mrs. Vernice Wortman.

Reception Set For Anniversary

A reception will be held Sunday afternoon at Kirkpatrick Homes Recreation Hall honoring Mr. and Mrs. Homer E. Hubbard on their fiftieth wedding anniversary.

The couple, residents of Granite City for 30 years, moved three years ago to Gillespie, Ill. They have two sons, Ernest Hubbard and Lawrence Hubbard, both of this city, a daughter, Mrs. Elizabeth Lancaster of Mt. Olive, and nine grandchildren.

Before retiring, Mr. Hubbard was employed by the Union Star and Refining Co., here. The reception will be given by the family from 1 to 5 p.m.

TENNESSEE SOCIETY WILL HOLD PICNIC
The Tennessee Society of Madison County will hold an annual picnic Sunday, Sept. 9, at Dale Park two miles north and east of Wood River on Rock Hill road.

Each family is to take a basket lunch. The picnic will begin at 3 p.m.

St. Peter Guild Elects Officers

Officers for the coming year were elected last night when meetings of the Evening Guild of St. Peter United Church of Christ were resumed following a summer recess.

The new staff will include Mrs. Roscoe Branding, president; Mrs. Mildred Fehling, vice-president; Mrs. Rose Mary Kaborok, secretary; and Mrs. Thelma Markgraf, treasurer.

Mrs. Alice Zillgode, the retiring president, called the meeting to order, and Mrs. Markgraf, Christian stewardship chairman, led the devotional service, assisted by Mrs. Ruth Ann Bartels, Mrs. Branding and Mrs. Marguerite Berger.

Plans were made for a joint meeting and pot luck dinner with the Afternoon Guild in October, and for a food fair to be held Nov. 17 in Fellowship Hall, the doors to open at 3 p.m.

Refreshments were served by the hospitality committee, composed of Mrs. Marilyn Bartels, Mrs. Freda Bennington and Mrs. Marguerite Berger, to 31 members.

Garden Study Club Opens Season

The Garden Study Club opened the season with a meeting in the home of Mrs. William Kirchner on Amos avenue Wednesday.

A dessert luncheon was served to twelve members and the business following was conducted by Miss Luella Detering, vice-president.

The program for the afternoon consisted of a paper on "Care, growth and forcing of bulbous flowers" by Mrs. Abner Branding.

The October meeting of the club will be with Mrs. John Lehman, 2636 Edison avenue.

MISS SHARON SMALLIE, whose engagement to Jerry Meyenburg, a son of Mrs. Clarence Meyenburg, 2338 Palmer avenue, is announced by her mother, Mrs. Hans Seemiller, and Mr. Seemiller of Edwardsville. The bride-to-be is a senior at the Edwardsville high school. Mr. Meyenburg was graduated from Granite City high school and is employed by McDonnell Aircraft Corp. An early spring wedding is planned.

Quilting Session For Circle

Fourteen members and two guests, Mrs. Elizabeth Jones and Miss Elva Miller, attended a meeting of the Esther Circle of Niedringhaus Memorial Methodist Church Tuesday at the church.

The ladies met for quilting in the morning and enjoyed a dessert luncheon with Mrs. Earline Miller as hostess. Devotions were by Mrs. Pearl Campbell, followed by circle prayers and the lesson by Mrs. Clara Dawdy.

The members answered roll call by reporting on calls made to the sick.

Mrs. Dorich Is Hostess For Club

Mrs. Delores Dorich, 1729 Mo-avenue, was hostess to her canasta club at the first fall meeting Tuesday.

High scores were held by Mrs. Willis Shepard, Mrs. Clarence Heinke and Mrs. Lester Henderson, all of whom received prizes.

Others present were Mrs. James Gibbs, Mrs. E. B. Haven, Mrs. M. O. Winfield, Mrs. Larry Jones and a guest, Mrs. Carl Foster.

The October meeting will take place at the home of Mrs. Heinke, in Affton, Mo.

WCTU WILL HOLD EVENING MEETING

The September meeting of the Women's Christian Temperance Union will be held at 7:30 p.m. Friday in the ladies lounge of Niedringhaus Memorial Methodist Church.

Mrs. William Schooley will preside, and serving on the hospitality committee will be Mrs. Glen Cundiff and Mrs. E. J. Miller.

Circle Prepares For Bazaar

The Miriam Circle of Niedringhaus Memorial Methodist Church met Tuesday evening in Wesley Hall of the church.

A pot luck supper preceded the meeting presided over by the leader, Mrs. William Caries, and the devotional service in charge of Mrs. Warren Simpkins.

The evening was spent working on a project for the annual bazaar to be held Nov. 30. Eight members attended the meeting and one guest, Mrs. Vernie Barnett.

ATTENDS LUTHERAN STUDENT RETREAT

David Painter, 422 Lincoln avenue, Venice, has returned from Iowa where he attended the Lutheran Student retreat sponsored by Gamma Delta, an International Association of Lutheran Students on college and university campuses.

Eighty-five students from all parts of the country attended the convention held at Okoboji near Milford Aug. 30 through Sept. 1. The theme of the meeting was "Love, God's Love for Man, Man's Love for God, and Man's Love for His Fellow Man."

Painter, international publicity chairman, was a Bible teacher at the meeting. He will leave shortly to resume his studies at Eastern Illinois University, Charleston where he will be a senior mathematics major.

TAX FACTS

By Maurice J. Scott, Executive Secretary
Taxpayers' Federation of Illinois

According to a recent report of the U. S. Department of Commerce, taxes collected by all governments in the United States—federal, state and local—in their fiscal years that ended during 1961 amounted to \$116.1 billion, as compared with the 1960 total of \$113.1 billion. Most of the change, according to

Granite City PRESS-RECORD
Page 16 Thurs. Sept. 6, 1962

the Taxpayers' Federation of Illinois' review of this report, was accounted for by state and local governments, whose tax revenue rose from \$36.1 billion to \$38.7 billion. Federal tax yields moved only from \$77 billion in fiscal 1960 to \$77.5 billion in fiscal 1961.

There are marked differences in tax structure among the three levels of government. The federal government relies primarily on income taxes; in 1961, the individual income tax supplied about 53% of all federal tax revenue, and the corporation income tax provided 27%. The property tax is the principal revenue source for local governments, and in fiscal 1961 yielded 87.6% of all their tax revenue. No one type of tax is predominant for the states. However, sales and gross receipts taxes—including not only those of general application, but also selec-

tive taxes on sales of motor fuel, liquor, tobacco products, etc.—altogether provided nearly three-fifths (60%) of all State tax revenue in 1961.

On the other side of the ledger, governmental expenditure totaled \$164.2 billion in fiscal 1961. Direct expenditure of the federal government was nearly \$97.9 billion; direct expenditure of state governments totaled \$24.6 billion, and that of local governments, \$41.8 billion. These are expenditure amounts for "own purposes" of each level of government. (This excludes intergovernmental expenditures).

Expenditure of the federal government for defense and international relations totaled \$48.4 billion in 1961, or 59% of all direct federal expenditures and about 36% of total general expenditure of all governments. The second ranking function of government is education, for which \$21 billion was spent in 1961. Conservation and development of natural resources included \$11.4 billion of governmental expenditure in 1961, of which \$10.2 billion was spent by the federal government. Provision and maintenance of all highway facilities required \$9.9 billion of public expenditure in fiscal 1961, or 4% more than in 1960.

\$50,660 For Sewer Repairs

City's Bills, Half-Month Salaries Total \$111,142

A one-week bill list totaling \$78,472 and half-month salaries amounting to \$34,670 were approved Tuesday night by Granite City Council members.

Of the bill list total, \$50,660 was paid for the St. Clair-Aubrey avenue sewer repair project, with \$49,348 going to the contractor, A. H. Seebold for estimate No. 2 and \$1312 to City Engineer David J. Johnston for inspection during the period of a month. Seebold was paid \$17,139 and the final amount for repairs to Terrace lane under a special improvement project.

Other items on the bill list were \$1258 paid to East St. Louis & Interurban Water Co. for August rental on 345 fire hydrants, \$1679 paid to Illinois Power Co. for street lighting during August, \$103 paid to Leo Kamadukidi for three days weed cutting, \$66 paid to Richards Brick Co. for 1085 pink brick for the city dog pound, \$141 paid to Mine Safety Appliances for repairs to two gas masks for the fire department, \$284 paid to the Illinois Municipal Retirement fund as the city's 7.61% contribution for August, and \$800 paid to Lueders Agency for premium on the police department insurance policy.

Expense allowances on the bill list were \$104 paid to Mayor Davis for August expenses and \$30 to Alderman Edmund Bartosik for August expenses.

Maintenance and fuel for city equipment amounted to \$914.

\$120 A Day

Parking Receipts Down During Month Of August

Parking meter receipts were down \$530 in August from the previous month. Only \$2949 was collected compared to \$3479 in July.

Parking fines increased sharply, however, almost doubling the July figure. Fines totaled \$286 compared to the July figure of \$145.

The biggest meter collection for the year was in May with \$3960. February was the biggest month for fines with \$3305.

So far this year the city has taken in a total of \$26,060 in parking funds — \$24,473 from meters and \$1587 from fines.

That total is down \$2785 from the same period in 1961; down \$2472 from the 1960 period; and down \$1924 from the 1959 period.

An average of \$120 a day was taken in during August. That figure, too, is a sharp decline from the August 1961 average of \$191 and the August 1960 average of \$149.

During the month the meters were in operation 27 days.

MORE ABOUT

Annexation To End

(Continued from Page 1.)

under the state Sanitary Water Board ban. Robertson explained, the ban pertains only to extensions of sewer trunk lines.

The Wolf firm planned the row of lots as a "buffer strip" between the Cloverview subdivision and the proposed Pontoon Plaza shopping center. Sara street will be off Pontoon road to the north. The annexed area is zoned R-4 and R-5 residential for duplex and apartment units.

Discussing the development during the council session, aldermen noted the area is in the Pontoon Beach Public Water District and suggested the developer make arrangements with the district for installation of fire hydrants.

B&PW Plans Fall Dinner Sept. 19

The program committee of the Quad-City Business and Professional Women's Club met last night at the YMCA.

Miss Kathryn Van Order, chairman, was in charge, and others present were Mrs. Verna Lengyel, Miss Mable Stewart, Mrs. Dolores Allen, Mrs. Helene Bischoff, Mrs. Lottie Schuster and Mrs. Vernice Wortman, club president.

Plans were completed for the first fall dinner meeting to be held at the "Y" Sept. 19 at which a "do it yourself" program will be held.

The dinner meetings are open to the public, and anyone interested may make reservations before Saturday prior to the meeting with the chairman, Mrs. Wortman said.

Sorority Holds Rush Party

Eta Chapter of the Phi Tau Omega Sorority held the first "rush" party of the season, a barbecue, last night at the home of Mrs. Jimmy Hillmer, 2660 Cleveland blvd.

Hostesses with Mrs. Hillmer were Mrs. Valera Bauder, Mrs. Frances Hartman, Mrs. Helen Zimmer, Mrs. Dolores Siebert, and Miss Dolores Crane.

Twenty-one were present, including one rusher, Mrs. Catherine Powers. Prizes in the games were won by Mrs. Charles Voss, Mrs. Ann Tutum, Mrs. Powers, Miss Hilda Schroeder, Miss Eunice Hatcher and Miss Dolores Sheridan.

Mrs. Johannpeter Is Honoree

Mrs. Theodore Johannpeter was honoree Tuesday evening at a cradle shower given at the home of her mother, Mrs. Garland Richardson, 2508 Pine street, by her grandmother, Mrs. Margaret Woodward, and her aunt, Mrs. Ursel Woodward. Approximately 25 were present.

Pink and blue decorations were used and after the gift packages were opened there were games. Prizes went to Mrs. Emma Hessler, Mrs. Mildred Garin and Mrs. Lois Buescher. Refreshments were served by the hostesses.

Alumnae Chapter Holds Meeting

The Phi Tau Omega sorority alumnae chapter was entertained at the Rosh Bowl last night by Mrs. Ann Little and Mrs. Dorothy Johannpeter.

Prizes were won by Mrs. Agnes Hillmer, Mrs. Marguerite Lexow, Mrs. Rosalie Gabriel, Mrs. Thelma Crisman, Mrs. Margaret Holland, Mrs. Betty Lou Harris and Mrs. Verna Meyer.

Miss Irene Hayes and Mrs. Irene Cook will serve as hostesses to the group in October.

FARM BUREAU WILL HOLD POT LUCK

Farm Bureau members and their families of Nameoki, Venice and Chouteau Townships will hold a pot luck dinner at the Farm Bureau building in Edwardsville Wednesday evening, Sept. 12, at 6 p.m. The purpose of the meeting is to discuss farm problems.

There will be gifts for the children and a special prize will be awarded.

ENTERS UNIVERSITY OF FLORIDA

Miss Christine Karandjeff, daughter of Mr. and Mrs. Ernest Karandjeff, left early this week for Gainesville, Fla., where she has enrolled at the University of Florida. She will major in art and specialize in interior design. A graduate of the Granite City high school, Miss Karandjeff was graduated last June from Stephens College, in Columbia, Mo.

NEIGHBORHOOD GET ACQUAINTED PARTY

The Eagles Auxiliary kitchen band and a square dance exhibition by the "Tadpole Squares" will be features of a get acquainted neighborhood party at 7 p.m. Saturday in Luaders Park Estates Subdivision.

Colgate place will be closed to traffic for the occasion.

RETURNS FROM EAST

Mrs. P. O. Barron, 2143 Delmar avenue, returned last night from Mineola, N. Y., where she spent the past month with her son-in-law and daughter, Mr. and Mrs. Sam Kessler and their family. While away Mrs. Barron also visited Canada, Niagara Falls and the New England states.

HALYAMAS RETURN

Dr. and Mrs. G. E. Halyama have just returned from a vacation trip which took them to West Virginia, Pennsylvania, Virginia, and Daytona Beach, Fla. They were away five weeks.

Home Adviser Lists Many Uses For Tomatoes

By Mrs. Elaine P. Wendler
Madison County Home Adviser
Home Economics Extension,
University of Illinois

Have you ever stopped to think how many ways we use tomato products? There's tomato paste, tomato sauce, tomato puree, catsup, chili sauce and tomato juice to name a few. But right now tomatoes are at their best.

This modern version of an old recipe for Mustard Pickle might well become one of the family's most cherished recipes. In tune with the times, the recipe has been calorie-streamlined so that even the most conscientious weight-watcher can enjoy its tantalizing goodness. With the help of the calorie-free sweetener, calories have been slashed to less than half—and even your great-grandmother wouldn't have been able to taste the difference!

Mustard Pickle (Low-Calorie)
3 cups raw cauliflower buds
2 green peppers, cut into chunks
2½ tablespoons salt
3 tablespoons dry mustard
2 tablespoons sweetening solution
3½ cup flour
2 cucumbers, pared and finely chopped
1 pound small white onions
1 cup cold water
1½ teaspoons turmeric
2 cups vinegar
1 cup water

Combine vegetables, salt and the 4 cups cold water in a large kettle; let stand overnight. Drain. Add spices, sweetener and vinegar; bring to a boil; boil 15 minutes. Make a smooth paste of the flour and the 1 cup water. Add to vegetables and cook 3 minutes longer. Ladle into pint jars and seal. Makes 3 or 24 4-oz. servings. Each serving contains 25 calories.

SOCIETY Local Trio Unit Schedules Events

The Trio Unit of the Madison County Homemakers Extension held a monthly meeting Tuesday afternoon in the home of Mrs. Clara Harbig, 2200 St. Clair avenue.

The program for the coming year was discussed and the members indicated which lesson they preferred to present. A training school for officers of all Madison County units will be held in Edwardsville Oct. 10, it was announced.

Two of the members, Mrs. Edna Bueger and Mrs. Florence Rapp, are planning to attend a sewing machine instruction class Sept. 20. Mrs. Arthur Roman presented the health lesson on "Thalidomide" and Mrs. Clara Harbig gave a report of the 4-H Club in the area.

The unit members voted to give financial assistance to the 36ers 4-H Club which is sponsoring the unit. Mrs. Anne Pare, a member of the Granite City Unit, reported on the 4-H Club's recent meeting held in Lexington, Ky., last week.

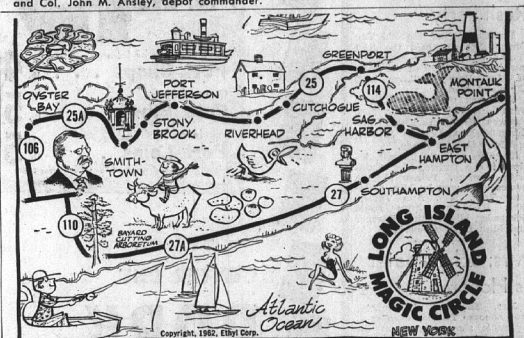

The minor lesson on the topic, "Our Young Town," was given by Mrs. Ida Hanfelder, who discussed the history of Granite City and the Mitchell area. Mrs. Elaine Wendler, home adviser, presented the lesson, "Buying suits and coats."

During the recreation hour, there were games, and prizes were awarded to Mrs. Clara Harbig and Mrs. Robert Brav.

A dessert course was served to 19, including the guest, October is "Pennies for Friendship" month, and the meeting will be held at the home of Mrs. Lawrence Markham on Route One.

Historic Long Island, with its old windmills and stately houses, offers a perfect after-Labor Day Magic Circle motor tour. We started in 300-year old Oyster Bay where the national shrine of Theodore Roosevelt is housed in the Carriage House which displays 300 fascinating stagecoaches, sleighs and buggies. Port Jefferson's sheltered harbor attracts numerous visiting water craft, and is a ferry terminal. At Riverhead, prosperous from its duck processing plants, Long Island's largest and oldest store, Haystack Hall, once an island split in two—the north section a manor house, the south a 65-acre tract of natural woodlands.

UPW To Serve Teacher Dinner

The September Association meeting of United Presbyterian Women was held Tuesday evening at First United Presbyterian Church, 22nd street and Delmar avenue. Forty-six were present and a pot luck supper was served.

A South American theme was used and Mrs. Otto Grosse, fellowship chairman, conducted a baby picture contest. The prizes were won by Mrs. George Chapman and Mrs. Glen Rice.

Mrs. George Holtzner, president, welcomed the group and reports were given by the secretary and treasurer. Mrs. J. W. Senef, Ecumenical Mission chairman, reports broadcast being prepared to be forwarded to the Vellore Christian College and hospital in South India. Plans were also made to entertain approximately 200 new public school teachers at a dinner to be given by the Tri-City Ministerial Alliance.

The mission year book of prayer was given by Mrs. Grosse and the program chairman, Mrs. F. B. Barclay, introduced Mrs. James Henderson, who reviewed the book, "The Quiet Crusaders" by Henry L. McDonald.

Members of Circle Four sang as hostesses. The meeting. Guests attending were Mrs. Fred Reicher, Mrs. Keith Jackson, Mrs. Lucille Bush, Mrs. Lee Sawyer, Mrs. Nora Stallings and Mrs. Katie Reuss.

Summer Recess Ends For Sorority

Another of the local groups resuming after the summer recess was Beta Phi Chapter of Epsilon Sigma Alpha sorority which met last night in the clubhouse at the home of Mrs. Betty Williams on Lindell Blvd.

Mrs. Joyce Albers was selected as a candidate for "Princess Princess," which will be an attraction at the state convention in Bloomington Oct. 12-14. Al Stevens gave a reading entitled "The Mistake," and Donna Ramsey performed a tap dance.

The group planned a social meeting for Sept. 19. Refreshments were served last night by Miss Betty Beuchat and Mrs. Betty Colligan.

COMMITTEES, DEN MOTHERS WILL MEET
Committee and Den Mothers of Cub Pack 22, sponsored by the Frohman School, 771 W. 11th, will meet at 7:30 o'clock Tuesday, Sept. 11, at the home of Mr. and Mrs. Alex Tarpoft, 1609 Clark avenue, to plan the fall program.

Cubmaster Harry Hillman has announced that plans will be completed to plan the fall program. The trip was made by plane.

RETURN FROM EUROPE
Miss Dolores Sheridan, 2301 State street, with her daughter, Miss Dolores Sheridan, has returned from an extensive European vacation. They were away five weeks, stopping first in Ireland where they were welcomed by Father Paul Sheridan, who is studying in Rome, and with him toured England, Germany, Switzerland, Holland, Italy and France. The trip was made by plane.

Jaycees Hear Vesci, Endorse Bond Issue

Granite City Jaycees voted last night to endorse the city's \$10,000,000 sewer, drainage and pollution abatement program set for city-wide vote Oct. 2. The meeting was held at the Big Top Bowl restaurant and was attended by 17 members and an additional 14 Jaycees from the Belleville unit.

Eighth Ward Alderman Frank Vesci was guest speaker. He told the Jaycees "If the bond issue will benefit Granite City, I hope it passes—I'm for the welfare of the people in Gran-

ite City. He also criticized the programs not appearing to be adequate in the Namook area and that general obligation bonds for financing would be better than revenue bonds.

Vesci is a member of the committee which outlined the program for the city, designed to give the most benefits at the lowest cost.

The Jaycees heard reports on a recent leadership training seminar, the state Miss Major contest held here last month, a fish fry and plans for the county's sesquicentennial celebration.

Earl Werner, 47, Dies Of Heart Attack On Job

Earl Julius Werner, 47, of Rural Route One, was dead on arrival about 10:30 a.m. today at Alton Memorial Hospital. The cause of death was an apparent heart attack at work. An inquest will be held.

Mr. Werner was a crane operator at the Upper Alton Plaza shopping center. It was his first day on the job. He was employed by Midwest Construction Co. Surviving are his wife, Mildred and two children. Funeral arrangements are being made by Lahey Funeral Home.

Two Pistols Taken In Madison Theft

Two pistols were taken from a window display at the Tis-City Pawn Shop, 207 Madison avenue, Madison, Tuesday night after the glass had been smashed with a brick. Milford G. Masters, proprietor, said both weapons were .38 caliber, one a snub-nose and the other with a four-inch barrel. He valued the guns at \$48. The theft of three power saws from Practical Construction Co. at the end of Edwards street was discovered Tuesday. The

Lovejoy Man Arrested After Venice Slashing

Robert L. Cole, 72, of Lovejoy, was arrested yesterday by Venice police and charged with assault with a deadly weapon after he allegedly slashed another man with a knife.

The victim, Jimmie Hall, 68, also of Lovejoy, was admitted to St. Elizabeth Hospital with a deep cut on the head and cuts on the chest. Hospital attendants described his condition as serious but not critical, and said he had lost a lot of blood.

Police received a call at 10:30 a.m. from a woman who said a man was on the porch at 422 Slough road, bleeding badly. Upon arrival they found Hall, who said Cole slashed him for no apparent reason while he was riding with Cole somewhere on Kerr Island.

Cole was arrested at his home on a warrant signed by Police Magistrate Wesley Edwards. Released on bond, he is to appear for a hearing Saturday.

Varied Activity Program Keeps Quad-City Scouters Busy Year 'Round

Scouting consists of more than helping elderly ladies across streets, the observer will find. No exception to the rule that Scouting provides boys a well-rounded activity schedule is the program for Quad-City Scouters.

These 1710 Boy Scouts and their 807 volunteer leaders belong to the Uniwah district of the Cahokia Mound Council, a United Fund-supported agency. Included in Uniwah are the Quad-Cities as well as Nameoki township and part of Chouteau township. The Cub Scout program for eight to ten-year old boys is basically the same as that for older boys except for less emphasis on camping. About 845 boys were enrolled in 28 Uniwah district packs during July. Cub Scouts study nature lore, plan hikes and prepare for advancement under the direction of full Scouts and Den mothers.

Weekly Troop Meetings
Eleven to 14-year old Boy Scouts hold weekly troop meetings to work on projects and plans, learn skills and discuss troop and individual problems and needs. Enrolled during July were 667 boys in 28 Uniwah district troops.

Scouters distribute voting reminders house-to-house and take posters to merchants for civic groups. In the spring they collect special project bags of clothing and other discards for

A SCOUT IS REVERENT . . . Scouts learn respect toward others' customs as they give thanks at each meal. Goodwill Industries, employers of the handicapped.

At the beginning of each year the conference stages a first-aid session at which the fundamentals of wound dressing, splint application and other practices are demonstrated.

During the summer many Scouters spend a week at the Council's award-winning Camp Sunnen, Potosi, Mo. Troops camp in their own campsites and prepare their food by patrolling over charcoal stoves. Each boy in the patrol is assigned duties that must be performed as a part of camp life. Scouters have opportunity to acquire skills in nature, aquatics, handicraft and scoutcraft.

Winter Camping
On winter weekends some of

while camping. Here they enjoy facilities at Camp Sunnen, the Cahokia Mound Council's award-winning campsite near Potosi, Mo.

Work of the Council service center at 1538 Niedringhaus avenue includes making up general activity schedules, contacting adult leaders and arranging for training sessions, and training-instruction of volunteer leaders and providing materials for improving programs of local units.

Expenses covered in the budget are all at the Council level. Each individual pack, troop and post is self-supporting.

For 1963, the Council plans a \$71,792 budget. Included in Council-level expenses are field services—such items as salaries and retirement provisions for the five professional staffmen; office services—salaries and retirement provisions for an office staff of three; administration—

insurance, rent, utilities and office supplies; camping and activities—operation and maintenance of camping facilities, swimming pools, campfires and first aid sessions; and training-instruction of volunteer leaders and providing materials for improving programs of local units.

Job Placement Tests Today For SIU Students

Students who want part-time clerical jobs while attending Southern Illinois University are taking the clerical aptitude tests being given today at the Alton and East St. Louis centers.

According to David Van Horn, supervisor of the Edwardsville Campus student employment program, tests will be used to refer students to part-time clerical positions within the University and to local business concerns listing their part-time employment needs with the Student Employment Office.

"Job placement is for effective when an individual's skills and aptitudes are known," Van Horn stated. "Students are counseled on the results of these tests and referred to a position or advised on ways to improve their skills."

PHYSICAL FITNESS is a basic goal of the Scouting program. Scouters, here participating in a Council swimming meet at the Granite City Army Depot also learn swimming, life-saving, rowing and canoeing skills. Over 130 boys learned to swim this summer at Camp Sunnen and 350 others received advanced credit in swimming skills.

CITIZENSHIP TRAINING in the form of a visit to a Granite City council meeting occupies these Scouters, who are examining the city's financial report with former alderman Arthur Weiser (seated, left) and Alderman Paul Rutledge (seated, right).

Two Traffic Charges

Caroline Sandor, 42, of 1011 Washington avenue, Madison, was issued an arrest ticket in Granite City Wednesday on charges of speeding and running a red blinker light. She posted her driver's license as bail until Saturday.

No-Parking Zones Set At Kirkpatrick Homes

An ordinance establishing no-parking zones along streets in the Kirkpatrick Homes project was adopted Tuesday night by Granite City council members at the request of the Granite City Housing Authority Board.

Parking facilities are provided in the project. It was pointed out that parking of vehicles along the narrow streets obstructs traffic, especially the movement of emergency vehicles. The ordinance calls for fines of \$1 to \$25 for violators.

Condemnation Of 4-Family Flats Sought By LeMaster

Condemnation of four-family frame flats at 2104-06-08-10 Benton street and a vacant house at 2207 Benton street was proposed by Third Ward Alderman Rufus LeMaster during Tuesday night's council session.

City Atty. John Gitchoff said he would look into the request in the near future, but would have to give preference to current city issues.

LeMaster pointed out that members of St. Peter Evangelical & Reformed Church at 21st street and Cleveland blvd. had expressed interest in buying the property at the rear of the church building in the 2100 block of Benton street.

SUNDAY SCHOOL OFFICERS HOLD RETREAT

The Sunday school officers of Central Free Methodist Church held a retreat this week at the Dury Camp Grounds in Greenville.

The purpose of the meeting was to begin an enlargement program for the new conference year. Kermit Atkins, superintendent, presided over the meeting.

Committees were nominated to assist in gaining attendance at the Sunday school this year. They are visitation, program, publicity and transportation.

After the services, a picnic lunch was enjoyed by the officers and their families.

Two Surplus Property Sales Planned At Depot

Surplus aircraft tires and scrap metals, paper and rubber will be bid items in two surplus property sales to be conducted by the Defense Surplus Sales office of the Defense Supply Agency at the Granite City Army Depot.

The aircraft tires, located at Scott Air Force Base, will be sold during a spot bid sale at 2 p.m. Tuesday, Sept. 18, at the depot. The material may be inspected during weekdays until the date of the sale.

The scrap metal, paper and rubber will be the subject of a

sealed bid sale, with bids to be opened at the depot on Sept. 26. Material consisting of high temperature alloys, magnesium, aluminum, copper, cast iron, iron and steel, is located at Scott Air Force Base.

Also included among the sale items are 15 tons of scrap paper and 24,000 pounds of scrap rubber, mostly used automobile tires. Inspection may be made weekdays until the day of the sale.

Prospective bidders may contact the Defense Surplus Sales office at the depot.

Volunteers—Teenagers And Adults And Hospital In Care Of Patients

CANDY STRIPERS in the children's ward at St. Elizabeth Hospital reading to hospitalized youngsters. They also supervise games for the youngsters as well as the reading periods. The young ladies are Johanna Pashoff (left) and Judy Pashoff, sisters.

VOLUNTEER "PINK LADY," Mrs. Milton Morris (foreground), working with Sister Mary Thomas, hospital administrator, and Mrs. Marietta Daniels, head of nursing service, in the central supply department of the hospital.

FLOWERS FOR A PATIENT being arranged by two "Pink Ladies," Mrs. Marjorie Strauss and Mrs. Charlotte Burris. With them is Sister M. Theodore of the hospital staff.

RECORD KEEPING POSES PROBLEMS, but Mrs. Bernice Shaeffer, a member of the Pink Lady staff, is there to help Sister M. Adelaide.

Many Planning Career As Doctor, Nurse, Specialist

The school vacation this summer has been fine for swimming, tennis and just plain loafing, but summer recreation did not hold a monopoly over the time of 75 teenagers who call themselves "candy strippers."

The 68 girls, along with seven boy volunteers form a youth corps of volunteer workers at St. Elizabeth Hospital. They aid the regular staff in seven departments of the hospital, some working only during the summer and others continuing their duties in after-school hours during the school year.

Most of the youths are aspiring to be doctors, nurses or technicians and are enthusiastic about their early introduction to the atmosphere of the medical field.

Besides the candy strippers, girls and volunteer boys are women who donate their services free and are called "pink ladies." There are 25 pink ladies at the hospital.

New, Growing Trend

The use of volunteer workers is a growing trend in hospitals. St. Elizabeth's is unusual in having a large "junior staff" of teenagers. "The volunteers," explains Mrs. Nedra Moran, who with Sister Mary Thomas, the hospital administrator, helped organize the groups, "free nurses and the hospital staff for more direct attention to medical duties and care of patients." In addition, the volunteers provide services themselves otherwise unavailable to patients. Mrs. Moran, also educational coordinator at the hospital.

The hospital here is one of the first to enroll boys as volunteers, and the name "candy striper" complicates their position. The name candy striper comes from the wearing of red and white striped uniforms by the girls. The boys, in their own right, are not candy strippers. They wear intern jackets with only striped collars and refer to themselves as "boy volunteers."

The pink ladies who usually work longer hours than the junior volunteers are distinguished by their rose colored jumpers. Some, such as Mrs. Beulah Humphreys of 2134 Woodlawn avenue, give as much 32 hours a week of their free time at the hospital. Mrs. Humphreys works six to eight hours a day four days a week in clerical work in the central supply.

The candy strippers and boy volunteers during the summer work as much as four to five hours a day, two or three days a week. They have to put in only two hours a week to stay on the roster. During the school year, they work evenings to a late hour of 6 p.m. They get interviews before they are accepted, and if possible, are assigned to departments in their field of interest. The youths work with consent of their parents.

Non-Qualified Tasks

The youth corps performs non-specialized tasks in medical, surgical, pediatrics, central supply, office, x-ray departments and help in the beauty shop. The duties range from laboratory chores to escorting patients between different hospital stations, delivering their mail and flowers, and helping deliver their meals. They talk to and cheer patients, help care for children in pediatrics and perform tasks such as filing and typing, cleaning equipment and running errands.

At least one teenager was won over to the candy strippers while a patient at the hospital. Susan Farmer, a junior at Granite City high school, was hospitalized for an operation and the candy strippers won her admiration.

"They always treated me nice," Susan said. "I thought it would be kind of nice to be one." Her mother, Ruth, had been a pink lady but Susan didn't know she wanted to be a candy striper until her first hand experience at the hospital. After Susan recovered, the year didn't go away, and she applied for a candy striper job. She now gives two afternoons of her time each week working in pediatrics. She is the daughter of Mr. and Mrs. Fred Farmer of 2505 Grand avenue.

First Applied When Too Young Mary Tourne, a co-worker with Susan and also a junior at Granite City high, is working her second summer with the teen corps. Mary put in time in waiting before she got to be a candy striper. When she first applied at the hospital she was too young. She waited until she was 15 and was accepted. She is the daughter of Mr. and Mrs. Louis Tourne of 2304 Hodges avenue.

Terry Caruso of Troy divides her time during the summer with her grandmothers in Granite City and Venice, and works with the candy strippers. She is 16 and a junior at Triad high school.

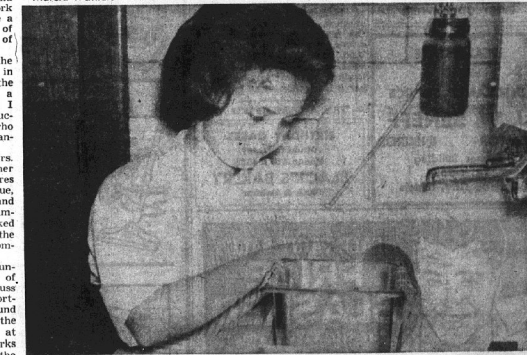

Her grandmother, Mrs. Gertrude Bundy of 2905 Circle drive, works as an aide at the hospital. Knowing Terry's interest in the medical field, she casually mentioned the candy strippers to her. Terry welcomed the opportunity. Terry says she gains much knowledge from her

BOY VOLUNTEERS, all teenagers, also aid in the hospital program, hoping to continue careers in the field as specialists. Preparing a patient for x-ray are Wayne Tarris, Ronald Asbeck, Marion Gerstenschlager, Walter Ruemmler and Mary Jo Brezes. They are aiding a patient onto an x-ray table.

DUTIES IN THE EMERGENCY ROOM include a towel folding session for a group of Candy Strippers. Left to right are Phyllis Hicks, Linda Taylor, Mrs. Betty Walton, RN, and Marcia Walker.

575 HOURS DUTY as Candy Striper have been accumulated by Marcia Walker, who is shown here at work in the hospital emergency room.

the hospital work and plans to continue into nurses training after her two more years at Granite City high school. Dianne Sheridan, daughter of Mr. and Mrs. E. Sheridan of 3000 Madison avenue, is a candy striper working in the records office.

Judy and Johanna Pashoff are twins in the candy strippers. They are in a great number of jobs for one another working in pediatrics and on the medical floor. It is believed that Judy is the one usually seen in pediatrics. They are juniors at Granite City high school and daughters of Mr. and Mrs. James Pashoff of 3113 Fehling road.

Organizations Of Volunteers The volunteer worker corps were organized by Sister Thomas and Mrs. Moran of 2414 Madison avenue, in February 1961. Sister Thomas promoted the candy strippers on the basis of previous knowledge of how volunteer workers aid the functioning of hospitals. Before coming to Granite City, she witnessed the activities of volunteer workers at Mercy Hospital in Springfield, Mo.

Mrs. Moran is credited with much of the success in operating the program of teen-age volunteers. The original plan did not call for boy volunteers but they were not turned away when they showed an interest in the program. The volunteer program has become so popular among teenagers, Mrs. Daniels said, that there is now a long waiting list of would-be volunteers. Boys and candy strippers

State Capitol NEWS

William T. Larkin, superintendent of the Illinois Agriculture Department's Division of Plant Industry, said that the increase in the introduction of foreign crop and animal pests in Illinois noted annually is largely attributable to the increase in international transportation of both products and people. He cited direct international plane transportation between distant parts of the world and Chicago, as well as the many ocean-going ships which now pass through the St. Lawrence Seaway and dock at Great Lakes ports as examples. Baggage of travelers is an important avenue of entrance for foreign plant pests, said Larkin.

A special meeting held at the ASC office in Mount Vernon last week was attended by representatives of 25 Southern Illinois counties and Edward Mesinger, Agricultural Stabilization Committee state chairman. The meeting was held to determine what form relief would take to deal with drought or if such relief, instead, under present laws, if an emergency area is declared, farmers in that area are permitted to pasture some of their soil bank land to livestock feeding purposes.

August 1962 presented no major threat for Illinois' water supply, according to W. J. Roberts, research engineer at the Illinois State Water Survey, he recalled August 1952 and the beginning of a three-year drought in Illinois. Current experiments with a small soluble packet containing chemicals in powdered form indicate that a farmer can merely throw one or more of these into his farm pond and evaporation is reduced accordingly. A chemical film is produced by use of the packets, less than one-millionth of an inch thick. The chemical layer is so constructed that it does not affect oxygen and carbon dioxide passing through it but does slow down the vertical movement of water molecules. The films are harmless to humans, fish, or livestock and are approved by the U. S. Public Health Service.

The Illinois Department of Agriculture's chief investigator, William Williams, reported that investigators have checked about 150 trucks on state lines during the past two weeks to enforce Illinois livestock farmers and dealers against passing diseased animals. Four men were fined during August for violation of state livestock regulations.

The dates of Oct. 26 through Nov. 19 have been selected by the Illinois Department of Conservation for the taking of ducks in the state. Shooting hours on opening day will be from noon (CST) to sunset. On the remaining days of the season, shooting hours will be from sunrise to noon (CST). There will be a daily bag limit of two, possession limit of four ducks and a daily bag and possession limit of six geese.

Walter P. Murphy, of 1932 Kenilworth, Wilmette, was appointed a member of the Illinois Harness Racing Commission this past week by Gov. Otto Kern. The Harness Racing Commission is composed of three members, all appointed by the governor for six year terms, who serve without pay. Murphy, 65, is an attorney.

Nearly 95 per cent of the state's corn acreage has reached the dough stage or beyond, said the Illinois Weekly Weather and Crop Bulletin. This compares with 85 per cent in dough or beyond last year and the average for this date of 75 per cent.

Soybeans have one-half of leaves turning yellow with one-tenth shedding leaves. In the lower third of the state, two-fifths of the soybeans are still green while in the northern third three-quarters have yet to start turning yellow. Last week's weather hastened maturity and lowered bean prospects in some areas.

The Illinois Cooperative Crop Reporting Service reported that the 1962 timothy seed crop is estimated at 1,200,000 pounds, slightly above the low 1961 production but considerably below the 10-year, 1951-60, average. Illinois farmers are harvesting 10,000 acres of timothy seed, compared with 12,000 a year ago and the 10-year average of 13,900 acres. A yield of 120 pounds per acre is expected this year, down from 125 pounds last year, and the average of 122 pounds. The growing season was favorable for timothy seed during June and July, but on July 22, storms struck many areas ruining some crops.

Autos In Accident
Richard H. Hamel, 39, of Crestwood, Mo., was involved in an accident Tuesday afternoon at Madison and Niedringhaus avenues. There was damage to the rear of his car. The other driver, Paulette Williams, 17, of 2206 East 20th street was issued an arrest ticket for following too closely. She posted her driver's license as bail.

Slight County Majority
For Federal Wheat Quotas

Federal wheat marketing quotas failed to gain the necessary two-thirds majority in Madison county and in Illinois last week, although the proposal carried on the basis of nationwide balloting.

Madison county wheat farmers voted in favor of the quotas by a margin of 123 to 119, with eight challenged ballots and two spoils. State-wide, the proposal carried by a margin of about 60-40.

A two-thirds majority was needed for the quotas to be approved by a state, and 16 of 38 states in which voting was conducted failed to approve them. The Madison county balloting increased slightly over last year, when 146 votes were cast in favor and 88 against.

Pontoon Water District's Audit Lists \$59,000 Income

An audit of the Pontoon Beach Public Water District accounts shows revenues of \$88,990 and operating expenses of \$23,999 for the period July 1, 1959, to June 30, 1962.

Interest payment on the \$307,000 revenue bond issue amounted to an additional cost of \$30,741, and with \$16,477 charged off to depreciation, the auditor, Jean W. Rogers, CPA, of East St. Louis, listed a \$2187 deficit. However, the district has cash balances in its special accounts.

Operating revenues include \$56,844 income for sale of water, \$765 service fees, \$672 inspection fees, \$451 penalties and \$235 for line testing.

Operating costs amounted to \$11,531 for water, \$7750 for salaries, \$1540 for trustees fees, \$1028 for insurance, \$475 for accounting service, \$10 legal fees, \$1213 for postage and office supplies, \$65 fees to the paying agent, \$72 bad debts, \$184 equipment rentals and \$78 for maintenance and supplies.

The statement of the waterworks construction account shows total receipts of \$338,782, of which \$307,000 was realized from the sale of revenue bonds, \$3826 was accrued interest on the bonds, \$1176 was interest bonds, \$19,880 was collected in connection fees and \$8500 contributions to construction costs.

Disbursements were \$266,732 for construction, \$21,565 for architectural and engineering services, \$49949 for legal and administrative costs, \$16,297 for interest capitalized during construction, \$3206 for government field expense.

Venice Township Relief Costs Increase

Although the case load dropped from July, relief expenditures in Venice township increased to \$5796 in August. The amount was up \$202 from the preceding month.

The township relief office reports 79 cases involving 141 persons handled during August. In July, 94 cases with 236 persons were handled.

The August cost increase the total 1962 expenditure to \$54,914.

Rail Hearing Continued To Sept. 19 By ICC

(Special from Springfield)

The Illinois Commerce Commission on Wednesday continued the hearing on a petition by the city of Granite City to force Illinois Terminal Railroad Co. to remove abandon trolley tracks from city streets.

The hearing was reset for Sept. 19. The ICC was tied up yesterday on a water rate hearing for the Alton Water Co.

When did your gas furnace have its last check-up?

Summer time is a good time to have your heating system checked by your heating dealer. Gas heating is ordinarily so automatic and so trouble-free that our customers take for granted the fact that their furnace will go on and on—year after year—without attention.

Many times it will—but occasional cleaning, checking and adjusting by a trained furnace expert will assure you of dependable, economical service next winter.

Call your heating dealer now, and avoid the rush for service on the first cold days this fall.

Initiate Restaurant Employees Into Union
 Cooks and waitresses at Tony's restaurant, 5240 Nameoki road, were initiated Tuesday into the Cooks and Waitresses Union Local 461, after a contract between the union and restaurant management had been ratified.
 Mrs. Helen Peters, Local 461 business representative, said workers at the establishment had not previously been represented by a union.
 Local 461 last month completed negotiations terminating in new contracts granting wage increases to employees of 145 restaurants throughout the Quad-Cities.

PRIMARY SUNBEAMS STUDY

The Dr. Katharine Jones Day Sunday School class met Tuesday afternoon at Second Baptist Church to begin a month's study of "Learning to Pray for Others." The group also participated in a "Christmas in August" project, with the boys and girls giving Christmas gifts which were placed in a decorated box for shipment. A tree was made and decorated with ornaments. The youngsters also made cards to announce a revival to be held Sept. 9-16 with Rev. Clyde Chiles, evangelist.

Mrs. Betty Lewis, leader, led the prayer and told the story, "Paul Shares with His Friends," using two puppets. Plans were made for next Tuesday's session when the group will take an imaginary trip to the States. State mission boxes were distributed, and Gary Lewis gave the closing prayer.

Others present were Corby Burnett, Danny Bagg, Shelly Ford, Robert McCord, Lana Lupardus, Larry Anderson, Michael Reynolds, Allen Newberry and a d visitors, Gail Lewis, Susan Anderson, Johnny Brooks and Dennis Reynolds.

CIRCLE TO BUY BIBLES

The Ruth Ford Circle of Second Baptist Church, during a meeting Tuesday evening at the home of Mrs. Mina Pitchford, gave a donation to buy Bibles for the needy. The program, "Circle of Compassion," was given by Mrs. Elsie Sturdivant. Also participating on the program were Mrs. Evelyn Smith, Mrs. Alene Phillips, Mrs. Mable Mercer, Mrs. Georgia Mitchell and Mrs. Naomi Rousey. Mrs. Ruby Mayberry presented.

Others present were Mesdames Lena Stephens, Nellie Lupardus, Edith Wilson, Roxie Sadler and Gusta Pendleton. Refreshments were served.

PINK AND BLUE SHOWER

Mrs. Ruth Schrieber was hostess at a pink and blue shower Tuesday evening, given by Robbie Castle of 2118 Missouri avenue, who was assisted by Mrs. Jane Case and Miss Linda Schrieber.

After the award of prizes for games and the gift opening, the refreshments were served. Present were Mesdames Mary Davis, Stella Hargett, Golda Chertoff, Rebecca Castle, Norma Oden, Gusto Pendleton, Jane Skaggs, Virginia Parker, Miss Jean Schrieber, Brenda Skaggs, Ronnie Moore, Debra Lucas and Steve Case.

INTERMEDIATE GA'S MEET

The Intermediate Girls Auxiliary of Second Baptist Church met Tuesday evening. The program included presentation of gifts and fruit to an elderly lady. Announcement was made of forthcoming revival and community mission. The program was entitled "The World in Our Midst."

Present were Karen Thomas, Margie Libar, Evelyn Barnes, Bonnie Finkel, Judy Adams and Mrs. Ethel Cox and Mrs. Mary Charlton.

PLAN SERVICE PROJECT

The Dr. Bill Richardson Crusader RA's of Second Baptist Church met at the home of the counselor, Robert Lewis, 2026 Bryan avenue, Tuesday evening to plan a service project. Posters publicizing a forthcoming revival were distributed, and taking part were Danny Penrod, Richard Wally, Bruce Freeman, Ricky Smith, Gregory Lewis, David Thiel and a visitor, Gary Lewis.

FRIENDLY CHATERS CLASS

The Friendly Chatters Class met Tuesday evening at Second Baptist Church for a prayer meeting. Present were the teacher, Mrs. Gertrude Bevil, Mrs. Geraldine McCord, Mrs. Eleanor Cook and Mrs. Helen Wigger.

Guests at the home of Mr. and Mrs. Earl Tucker, 2826 Denver street, over the holiday weekend were their son and daughter-in-law, Mr. and Mrs. Gilbert Lee Knight and daughters of Lincoln, Neb., and Mrs. Emma O'Donnell of Jacksonville, Ill. The visitors left Tuesday.

Mr. and Mrs. Jesse Welty and children, 2231 Illinois avenue, returned Monday from a 10-day vacation tour through Mississippi, Tennessee and Arkansas. On their return, they visited relatives at Poplar Bluff and Raymondville, Mo.

When you are trimming the fat from ham that is to be baked, leave on enough fat to have a layer about one-quarter inch thick. This way you can score the fat without cutting into the meat.

Community Health Problem To Be Solved With Bond Issue

The community's welfare — from both health and economic standpoints — were taken into consideration in the design of the drain-sewer-pollution abatement program to be submitted to voters Oct. 2.

Members of the Tri-City Medical Society pointed out at a recent meeting, during which they endorsed the program, that the city's health was at stake with the threat of infection in virtually every rainstorm. A storm with a mere inch of rain is enough to cause the present inadequate combined sewer system to back up.

Such rains cause open sewer drains in basements, catch basins on the corners and lift sta-

tions in the Nameoki sewer system to belch raw sewage. The raw sewage not only flows in the streets but also on basement floors. This happens with nearly every rain in nearly every section of the city.

Once the storm water runs off, the sewage then flows away. But it leaves a residue on basement floors, which has to be cleaned away.

Germ-Laden Dust

However, the city does not have the facilities to wash down the streets. The raw sewage residue dries. It becomes a dust and is blown about by children and adults alike walk through it and carry the germ-laden dust into their homes.

Wise Granite Citizens keep a constant vigil on basement sewer drains. They know of vol-

untimes when they forgot to put the plug in or keep it closed tightly. A family rarely leaves the house without the father or the mother asking the question, "Is the floor plug in?" This is a habit, and it is followed even on sunny days. Granite Citizens just don't want to take a chance.

Will End Constant Worry This constant worry ends with the installation of separate sewer lines for storm water drainage.

The present system will be used exclusively for sanitary flow, with a new system of pipes and ditches to be installed to carry off storm water.

With storm water flowing away in separate lines, there will be no need for basement

sewer plugs and valves. The sanitary sewer system will be more than adequate to handle the runoff of raw sewage.

New Connections Catchbasins will be disconnected from the present system and switched to the new drainage lines.

There will be no backups at the lift stations with the elimination of storm water from Granite City's sanitary system. This will halt the flow of raw, stinking sewage in the streets in the Nameoki area.

Economy was a watchword in the new system design. The new drainage lines will be only a few feet underground, and expensive deep excavations will not be required. Most of the storm water will be diverted to Horseshoe Lake.
